

The Wand Medical Centre is a member of the Edgbaston PCN (Primary Care Network) and as such, we are able to offer our patients extended hours appointments during the evenings and weekends via our hub which is based locally at Bath Row Medical Centre.

Our reception team can book you an appointment for a telephone consultation with a GP at the hub. The GP will have access to your medical records just as they do at the Wand Medical Centre. Should you need to be seen, you may also be offered a face to face appointment at Bath Row Medical Centre.

Once our receptionist has booked your appointment at Bath Row they are unable to access the appointments to make any changes or cancel the appointment on your behalf. We therefore ask that should you need to change or cancel your appointment you call the reception team at Bath Row on 0121 622 4846.
